SUMMARY

Frontend developer skilled in React and modern JS with hands-on project experience. Focused on clean UI and real-time web app functionality .

PROJECTS

AI Chef Cloud

- React, Hugging Face API (Mistral AI), JavaScript
- Developed a smart recipe web application that takes user-inputted ingredients and returns detailed, AI-generated cooking instructions. Integrated Mistral AI via Hugging Face API to dynamically generate personalized recipes. Built with React.js for clean UI and used conditional rendering to optimize user experience during input, loading, and result display.
- Integrated external AI model (Mistral via Hugging Face) for recipe generation
- Built reusable UI components and managed state with React hooks
- Implemented real-time API fetching and input validation
- Designed responsive layout with clear separation of logic and presentation

Leads tracker

- Developed a browser extension for tracking leads by capturing the current tab URL and storing it in local storage. Implemented functionality to ensure data persistence across sessions, allowing users to retain their leads even after closing the browser. Utilized JavaScript and DOM manipulation to dynamically update the extension's interface and provide real-time feedback to users. Enhanced user experience with an intuitive UI and reliable lead management functionality

To-do list

- Developed a to-do list application that allows users to add, complete, and remove tasks.
- Integrated browser local storage for data persistence, ensuring task data is retained across sessions.
- Utilized DOM manipulation for real-time updates, providing a seamless and interactive user experience.
- Enhanced the UI with intuitive design and efficient task management functionality.

Tic Tac Toe

- Developed an interactive **Tic Tac Toe** game using HTML, CSS, and JavaScript, showcasing proficiency in front-end web development and dynamic user interface design,

EDUCATION

Bachelor of Technology in Electrical And Electronics Engineering Kommuri Prathap Reddy Institute of Technology (Ghatkesar) Hyderabad	2019-2023
Diploma in Electrical And Electronics Engineering Teegala Ram Reddy Institute of Technology Hyderabad	2016-2019
SSC 10th Govt High School Metpally	2015-2016

TECHNICAL SKILLS

- Languages: JavaScript, HTML, CSS
- Frameworks/Libraries: React
- Currently Learning: MERN Stack (MongoDB, Express, React, Node.js)
-

STRENGTH

- Self-Learner
- Critical Thinking & Problem Solving
- Good Communicator

HOBBIES

- Playing Cricket. Chess
- Watching movies.

I hereby declare that the above-mentioned information is correct up to my Knowledge, I hear the responsibility for the corrections of the above-mentioned particulars.
